

## HCVP Housing Quality Standards

The Housing Choice Voucher Program (formerly Section 8) provides rental assistance to qualified families who are seeking quality, affordable housing in the private rental market throughout the City of Richmond and the Metro Richmond area. Through the Housing Choice Voucher Program, families can secure housing that is inspected by RRHA in the neighborhood of their choice. Richmond Redevelopment & Housing Authority continually develops partnerships with landlords to provide quality housing to HCVP participants.

RRHA receives funds for the voucher program from the U.S. Department of Housing and Urban Development (HUD) that helps to ensure timely payments to participating landlords, while offering a hand-up to participants. Due to the amount of interest in this program, there may be a waiting list for participants and notification of applications being accepted is updated on the RRHA website ([www.rrha.org](http://www.rrha.org)), local newspapers and publications.

The Housing Choice Voucher Program is a three-way partnership between the HCVP participant, RRHA and the landlord.

RRHA is committed to ensuring that participants, landlords and neighbors of our participants have a pleasant experience that helps us continue to build vibrant communities!
